

Top 10 movies that families rented and rent. (The following categories are considered as family movies: Animation, Kids, Classics, Comedy, Family and Music)

Top 10 family film category and the number of times it has been rented out

By this slide the top rentals are Scalawag Duck and Juggler Hardly, which fall into the music and animation category respectively. from the list

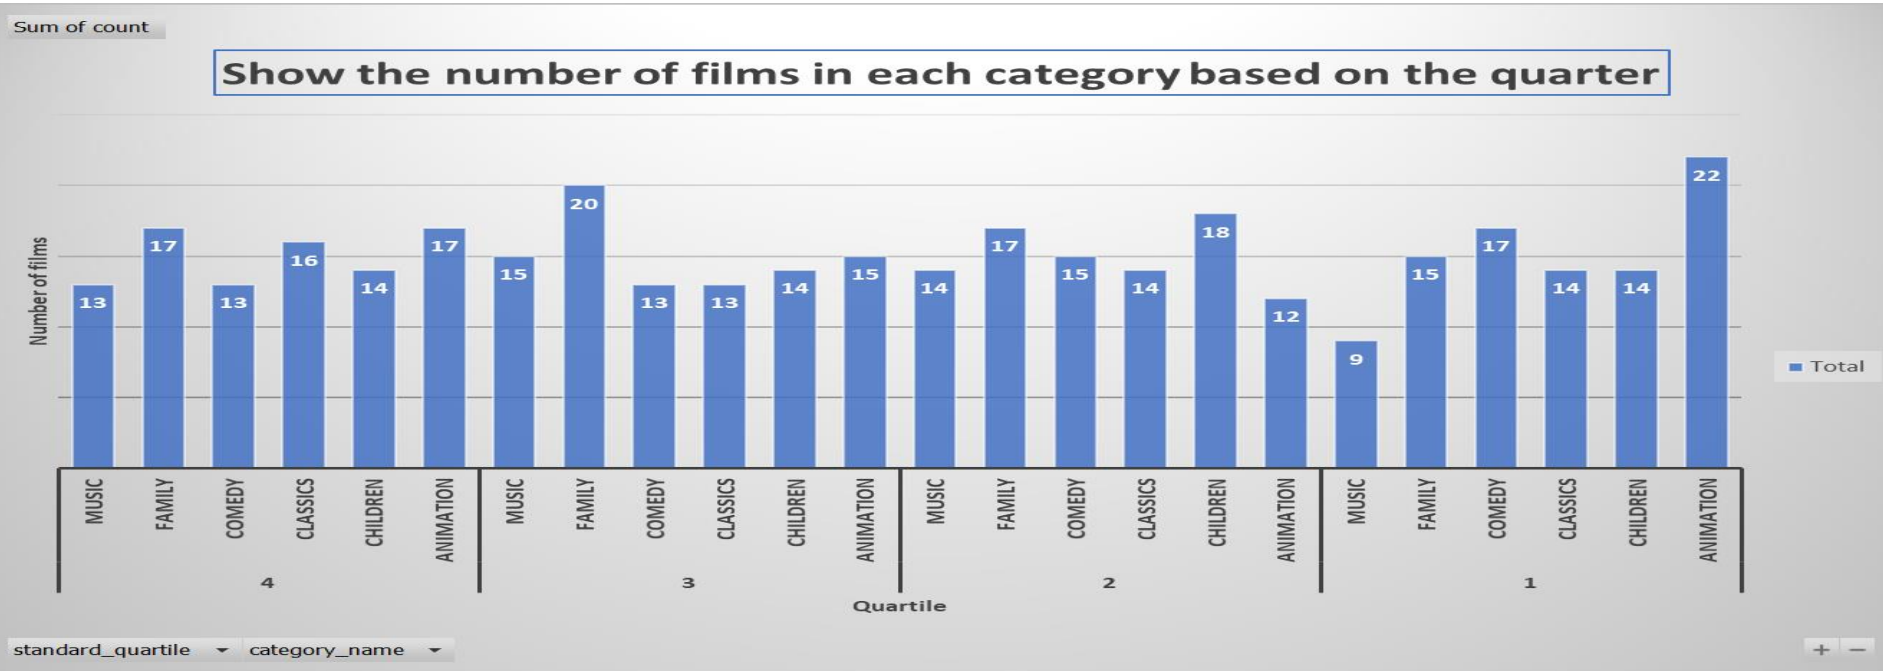

Compare the rental duration of these family-friendly movies with the rental duration of all movies based on the quarters (25%, 50%, 75%) of movie rental duration across all categories?

Sum of rental_duration	Column Labels				
Row Labels	Q1	Q2	Q3	Q4	Grand Total
Animation	1208	1081	1366	1938	5593
Children	694	1109	1452	1466	4721
Classics	742	1140	1131	1621	4634
Comedy	842	1180	1085	1409	4516
Family	697	1133	1877	1953	5660
Music	460	914	1364	1621	4359

The fourth quarter contains the highest rental period, especially in the two categories (Family-Animation) Compared to the Grand total number of categories

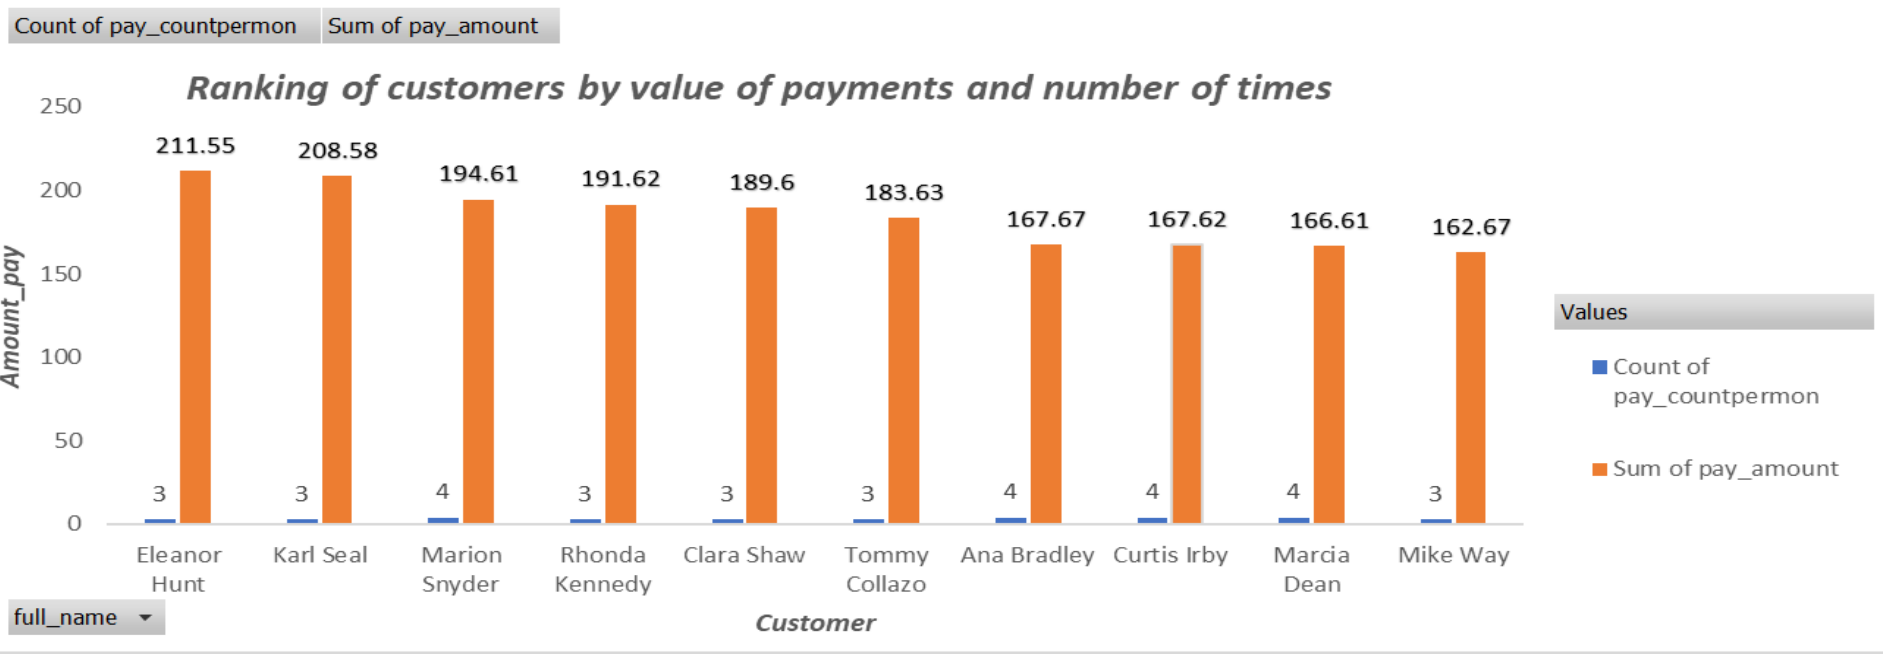

* Note: This table is calculated after obtaining query results

provide a table with the family-friendly film category, each of the quartiles, and the corresponding count of movies within each combination of film category for each corresponding rental duration category ?

In this slide, we present a presentation of the most rented categories of films in the respective quarter. We note that in the first and third quarter the highest rates of increase

We would like to know who were our top 10 paying customers, how many payments they made on a monthly basis during 2007, and what was the amount of the monthly payments

We note that the customer(Eleanor Hunt) is the first place holder with the value(211.55) of payments in the lowest payment payments 3
